PEIA Provider Directory For:

Comprehensive Care Partnership (CCP)
Medical Home Program (MHP)
Healthy Tomorrows Pick a PCP (PCP)

October 03, 2016

How to Use This Directory

- This directory lists West Virginia primary care providers **(PCP)**, including those who have opted to participate in PEIA's medical home **(MHP)** and comprehensive care partnership **(CCP)**.

- Providers are not required to "opt-in to" the **PCP** program.

- This directory lists a variety of health care providers who you may select as your **PCP** to meet the requirements of the Healthy Tomorrows Program. You may also choose a provider not listed in this directory, and still meet your Healthy Tomorrows requirement.

  Note: You are not required to participate in the **MHP** or **CCP** programs but if you do, you automatically fulfill the Healthy Tomorrows requirement to select a PCP.

- Providers are listed by county. **CCP** providers are listed first, **MHP** providers are listed second, and **PCP** providers are third. Providers are in alphabetical order within each group.

- If you want to participate in the **CCP** program or if you see a physician that you wish to select as your **MHP** or **PCP**, enter the provider's number online or on your form. Here's how:

  1. Go online to www.wvpeia.com, click on the green Manage My Benefits button, log in or register to use the site, when you're asked, make sure you designate that you're on the site for Open Enrollment. The Open Enrollment script will walk you through the process, and you'll enter your PCP's number.

  2. Call the PEIA Open Enrollment Helpline at 877-676-5573 on or after April 2, 2015, and follow the prompts to order a "Pick a PCP" form. One will be mailed to your home address on the next business day.

This line tells you if the physician is accepting new patients. (May not be available for PCPs).

- If you don't see your provider in this directory, simply enter your physician's name and address online or on the form using the instructions above.

- You may repeat the selection process for each of your dependents, but you are not required to do so.

- There currently is no copay for the CCP program. The copay for the MHP program is $10. The copay for the PCP program is $15, but will increase to $20 effective July 1, 2015.

- Provider participation and copay discounts in CCP and MHP programs may change during the plan year.
