

Medicare Shoppers Guide Plan Year 2021

Open Enrollment is October 1 - 31, 2020

JOIN PEIA!

The Fine Print

This Shopper's Guide is not intended to be a formal statement of benefits. It is designed to provide general information about the available plans. It is intended to be a first step in helping you choose the most appropriate health benefit plan for you and your family.

Questions about particular benefits, limitations, costs, providers, or restrictions should be directed to Humana for answers. When you enroll in a plan, Humana will send you an "evidence of coverage" booklet with more complete details of your benefits.

Before enrolling, assure yourself that the plan you choose offers a level of care and convenience with which you and your family will feel comfortable. Once you have enrolled in a plan, Medicare will not allow you to make a change until the following plan year, so choose wisely.

We have tried to ensure that the information in this booklet is accurate. If, however, a conflict arises between this Guide and any formal plan documents, laws or rules governing the plans, the latter will necessarily control.

What's Important for 2021?

1. Out of an abundance of caution for the health and well-being of our members, Humana is offering Virtual Informational Meetings in place of in-person fairs. Please refer to the schedule on the previous page for dates and times for webinars.
2. You have to complete an Open Enrollment form to change plans. To request a form, call the Open Enrollment Helpline at **1-877-676-5573**.
3. If you have anyone covered on your plan who is NOT Medicare-eligible, you CANNOT join Humana/PEIA Plan 2.
4. If you need to update your or a dependent's tobacco status, you can call PEIA's Open Enrollment Helpline number, **1-877-676-5573**, and follow the prompts on the telephone to report your status.

How to Have a Successful Open Enrollment

1. Read through What's Important for 2021, the Benefits at-a-Glance chart, and the Premiums and Rates section to determine which plan is right for you and your family.
2. Review the side-by-side comparison of the plans in the Benefits at-a-Glance chart. You'll see plan names across the top of the chart, and health care services listed down the side. Just find a service you or your family members use, and read across the chart to see how much you'll have to pay for that service under each plan.
3. Check the premium table for the type of coverage you have (policyholder only, policyholder with Medicare dependents, policyholder with non-Medicare dependents), and your years of service to find the premium for the plan you want.
4. Premiums for health coverage and optional life insurance are based on your tobacco-use status. All enrolled members must have been tobacco-free by July 1, 2020, to qualify for the premium discount. In the premium chart we've printed only the standard health insurance premium; if you are tobacco free, you must subtract \$25 for a single plan or \$50 for a family plan to get your correct premium. PEIA may review medical records to check tobacco use.
5. If you want to change plans, you have to complete an Open Enrollment form. To get a form, call the PEIA's Open Enrollment Helpline at **1-877-676-5573**.
6. If you want to change your tobacco status, call PEIA's Open Enrollment Helpline number, **1-877-676-5573**, and follow the prompts on the telephone to report your status. You also can update your tobacco status at any time by clicking the Manage My Benefits button at **www.wvpeia.com**. If you are already registered, just enter your username and password to enter the site. If you've forgotten your password, click "Forgot Password?" If you haven't used the site before, click on "Need to Register?" and follow the instructions.

Copayment: A set dollar amount that you pay when you use services.

Medicare consists of four parts, A, B, C and D. Parts A and B provide medical coverage to Medicare Beneficiaries. To be eligible for benefits from PEIA, the Medicare-eligible member is REQUIRED to enroll for both Medicare Parts A and B.

Medicare Advantage and Prescription Drug Plan (MAPD): An MAPD plan is a Medicare-approved health plan that provides benefits on behalf of Medicare. Humana's MAPD plan covers PEIA's Medicare retirees' medical and prescription benefits. Medicare and PEIA both have a contract with Humana, and Humana, in turn, pays benefits on behalf of both plans.

Eligibility Rules

This section offers general information about eligibility that you may need during Open Enrollment. For complete details, please refer to your Medicare Advantage Plan or Special Medicare Plan benefit booklet. Both booklets are on the web at www.wvpeia.com.

Who Is Eligible to Transfer or Enroll?

Current Members. Current Medicare-eligible retirees in the Humana plan or the PEIA Special Medicare Plan or PEIA-sponsored life insurance only (no health insurance), may join any plan, as long as all enrolled family members are Medicare-eligible.

Medicare Retirees with non-Medicare Dependents. This is the category that is often referred to as “split families” where one family member is in the Humana Plan and at least one other enrolled family member is in the PEIA PPB Plan. Insureds in this category may not join Humana/PEIA Plan 2. Once all members of the family are Medicare-eligible, you may make the choice for Humana/PEIA Plan 2.

Premium and/or Benefit Assistance: PEIA offers assistance to retired employees and surviving dependents whose household income is at or below 250% of the Federal Poverty Level. Members receiving premium and/or benefit assistance may not enroll in Humana/PEIA Plan 2.

Members Using Sick and/or Annual Leave or Years of Teaching Service to Extend Employer-Paid Coverage. Members in this category may enroll in whichever Humana/PEIA plan they choose. Those who have been continuously covered since before July 1, 1988, (former employer is paying 100% of the premium) will not benefit from joining Humana/PEIA Plan 2, since it will raise their out-of-pocket costs and they won't reap any benefit from the premium reduction.

Eligible Non-Members. Medicare retirees who are eligible for benefits may enroll in any plan for which they qualify during the Open Enrollment Period.

Eligible Dependents. You may enroll the following dependents:

- Your legal spouse (unless you are enrolled as a Surviving Dependent).
- Your biological or adopted children and stepchildren under age 26
- Other children for whom you are the court-appointed guardian to age 18

Other Eligibility Details

Medicare Parts A and B Required. As a retired employee or a dependent of a retired employee, when you become an eligible Medicare beneficiary, you must enroll in Medicare Parts A and B. Medicare Part A is an entitlement program and is available without payment of a premium to most individuals. Part B is the supplementary medical insurance program that covers physician services, outpatient laboratory and x-ray tests, durable medical equipment and outpatient hospital care. Part B requires payment of a monthly premium, and PEIA requires that you enroll for Part B to be eligible for PEIA benefits.

Medicare Part D. If a member enrolled in a Humana Plan enrolls for a separate Medicare Part D plan, Medicare will disenroll the member from the Humana Plan. Disenrollment from the Humana Plan cancels all PEIA health and prescription drug benefits for that member. If you are in a Humana Plan, DO NOT enroll in a separate Medicare Part D plan.

Members Who Reside and Incur Medical Claims Outside the U.S. Medicare-eligible retirees who reside and incur medical claims outside the United States have benefits through the Special Medicare Plan. Medical claims are processed by UMR, and the PEIA plan will pay only the amount which would have been paid if Medicare had processed your claim and made a payment. Prescription drug claims are processed by CVS Caremark. You will be responsible for any amounts not paid by PEIA. If you are planning to move outside the U.S., contact PEIA's customer service unit.

Members Who Receive Veteran's Administration (VA) Benefits. If you receive VA benefits, you must choose, for each prescription you fill, whether to submit the claim to the VA or to Humana for reimbursement. You should look carefully at what your cost will be under each benefit plan and make the decision that is best for you. If you receive VA

benefits for outpatient medical services, you may submit any bills you receive from the VA to Humana for reimbursement of the “patient share” amount.

Surviving Dependents. Surviving dependents who are covered by the MAPD plan are automatically enrolled for coverage effective on the first of the month following the death of the policyholder. Surviving dependents are mailed a letter and disenrollment form upon notification of the policyholder’s death. The letter includes the monthly premium for the surviving dependent health coverage, and instructions for the survivor. Coverage is automatically continued for one month. If the surviving dependent wishes to remain covered by PEIA, he or she must pay the monthly premium. If the policyholder wishes to cancel this coverage, he or she simply completes the form mailed by PEIA and submits it. Coverage will be cancelled at the end of the month following receipt of the cancellation form.

Qualifying Events. A qualifying event is a personal change in status which may allow you to change your benefit elections. Qualifying events which end eligibility for a dependent (such as divorce) must be reported immediately. All qualifying events require substantiating documentation as detailed in the chart below.

Qualifying Event	Documentation Required
Divorce	Copy of the divorce decree showing that the divorce is final
Marriage (of policyholder or dependent)	Copy of valid marriage license or certificate. The dependent child’s marriage is a qualifying event for the policyholder to remove the dependent child from coverage. The policyholder MAY remove the child, but is not required to do so.
Birth of Child	Copy of child’s birth certificate
Adoption	Copy of adoption papers
Adding coverage for a dependent child	Copy of child’s birth certificate
Adding coverage for any other child who resides with policyholder	Copy of court-ordered guardianship papers
Open Enrollment under spouse’s or dependent’s employer’s benefit plan	Copy of printed material showing open enrollment dates and the employer’s name
Death of spouse or dependent	Copy of death certificate
Beginning of spouse’s or dependent’s employment	Letter from the employer stating the hire date, effective date, what coverage was added, and what dependents are covered
End of spouse’s or dependent’s employment	Letter from the employer stating the termination or retirement date, what coverage was lost, and dependents that were covered
Significant change in health coverage due to spouse’s or dependent’s employment	Letter from the insurance carrier indicating the change in insurance coverage, the effective date of that change and dependents covered
Unpaid leave of absence by employee, spouse or dependent	Letter from the employer stating the date the covered person went on unpaid leave or returned from unpaid leave
Change from full-time to part-time employment or vice versa for policyholder, spouse or dependent	Letter from the employer stating the previous hours worked and the new hours worked and the effective date of the change

If you experience a qualifying event, you have the month of the event and the two following calendar months to act upon that qualifying event and change your coverage. If you do not act within that timeframe, you cannot make the change until the next open enrollment. Qualifying events which end eligibility (such as divorce) must be reported immediately.

Comparing the Plans

The table below shows the differences among the plans offered by PEIA and Humana. You should look closely at the benefits and consider how you use health care and how much health care you use. Also check out the premium charts on page 11 to see how much you'll pay for the plan you choose.

Humana/PEIA Plan 1 with Benefit Assistance is offered ONLY to low income retirees who have qualified for PEIA's Premium and Benefit Assistance program. Applications were mailed in June. If you believe you may be eligible, and have not yet applied, call PEIA's customer service unit at **1-888-680-7342** or find the form on the web at **www.wvpeia.com**.

Paying for Your Benefits

Tobacco-free Discount

PEIA offers a premium discount on the Special Medicare Plan, the Medicare Advantage and Prescription Drug (MAPD) plan, and optional life insurance to retired policyholders who verify through a tobacco affidavit that all enrolled family members are tobacco-free. Tobacco-free plan members subtract \$25 from the premium for policyholder only coverage or \$50 from the family premium. To qualify for the Tobacco-free Preferred Premium for all of Plan Year 2021, you and all enrolled family members must have been tobacco-free by July 1, 2020.

Tobacco status: If your tobacco status or a dependent's tobacco status has changed, go to the website, www.wvpeia.com, and log into Manage My Benefits or call PEIA at **1-877-676-5573**.

If your doctor certifies on a form provided by the PEIA, that it is unreasonably difficult due to a medical condition for you to become tobacco-free or it is medically inadvisable for you to become tobacco free, PEIA will work with you for an alternative way to qualify for the tobacco-free discount. Send all such doctors' certifications and requests for alternative ways to receive the discount to: PEIA Discount Alternatives, 601 57th St., SE, Suite 2, Charleston, WV 25304-2345

PEIA no longer offers the Advance Directive/Living Will discount. We continue to encourage policyholders to have an Advance Directive/Living will and discuss this document with family and medical personnel.

Important Notice from PEIA About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with PEIA and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. PEIA has determined that the prescription drug coverage offered by the PEIA Special Medicare Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Special Medicare Plan coverage will be affected. Your Special Medicare Plan drug plan will become secondary coverage for you. This means the Medicare drug plan you joined will be your primary drug coverage and the pharmacy must submit the billing for your prescriptions to the Medicare drug plan.

If you do decide to join a Medicare drug plan and drop your current PEIA coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with PEIA and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
