1. This rate assumes one person on Medicare. If you have more than one, subtract \$22 for each additional Medicare Member.
2. This rate assumes two people on Medicare. If you have more than two, subtract \$22 for each additional Medicare Member.
3. These rates are also provided to all Medicare retirees who retired prior to July 1, 1997, to all Medicare surviving dependents and to all Medicare disability retirees. Beginning July 1, 2015, surviving dependents enrolling in the PEIA plan will pay premiums based on the years of service earned by the deceased policyholder. Surviving dependents enrolled before July 1, 2015, are grandfathered under the previous benefit and continue to pay premiums based on 25 or more years of service.
4. This premium rate is provided to all employees hired on and after July 1, 2010. This rate represents the full premium with no subsidy from active employers or employees. Two classes of employees hired on and after July 1, 2010, will not be required to pay the unsubsidized rate: 1) active employees who were originally hired before July 1, 2010, and who have a break in service of fewer than two years after July 1, 2010; and 2) retired employees who retired before July 1, 2010, come back to active service after July 1, 2010, and then go back into retirement. In those cases, the original hire date will apply.

\* Tobacco-free plan members subtract \$25 from the premium for employee only coverage or \$50 from the family premium. To qualify for the Tobacco-free Premium for all of Plan Year 2022, you and all enrolled family members must have been tobacco-free by July 1, 2021. If your tobacco status has changed, you MUST report the change. See page 11.
