Instructions for Retirement Health Benefits and Basic Life Insurance Enrollment Form

Please follow these instructions carefully when completing this form.

RETIREE

Complete ALL demographic information. The "Generation" area provides a space for men to indicate family generation indicators such as Jr., Sr., II, III, IV, etc.

The Medicare ID Number can be found on your red, white and blue Medicare card. This number is required for continued coverage when you reach Medicare age. If you are not yet eligible for Medicare, please send PEIA a copy of your Medicare card when you enroll for Medicare coverage.

If you do not wish to enroll for health or life insurance coverage as a retiree, sign and date the box stating "I decline participation ..." and return the form to your benefit coordinator.

FAMILY INFORMATION

1) We need information about Medicare coverage for you. Your premium decreases when you are retired and have Medicare. Please provide the date when you were or will become eligible for Medicare (typically age 65, unless you have a disability). When you become eligible for Medicare, it is important that you enroll for both Medicare Parts A and B. Please see your Summary Plan Description for more information.

2) We need information about your last employer prior to retirement and the last day that you worked (or will work) for that employer.

3) We need to know about any dependents to be covered under your health insurance. Please complete the chart. If adding a dependent, documentation is required showing that the dependent is eligible for coverage. See the documentation memo for details.

BENEFICIARY

Your health insurance includes a basic decreasing term life insurance policy on you. Please designate the beneficiary(s) of this basic term life insurance policy in the "Basic Life Insurance Beneficiary" section. Please consult your insurance coordinator if you have questions about the amount of life insurance coverage you have. The life insurance proceeds will be distributed equally among all designated beneficiaries unless you specify otherwise on this form. If unequal percentages are assigned to the beneficiaries, the share of any beneficiary who dies before the policyholder will be distributed equally among all surviving named beneficiaries. If no beneficiary survives the employee, payment will be made in accordance with the terms of the policy. The name of the beneficiary should be written "Jane B. Doe," not "Mrs. John Doe" or "Mrs. J. A. Doe."

COVERAGE

Coverage Selection: Please indicate the type of coverage you choose to have in retirement. Remember that if you are continuing your health care coverage into retirement, you must remain the health care plan you were in as an active employee through the end of the plan year (June 30), unless you were in a managed care plan and will be Medicare-eligible when you retire. Please be sure to fully specify the plan you want, including the plan name and any option, such as PEIA PPB Plan A or The Health Plan Plan B. For life insurance, on this form, you can continue your basic life insurance. If you wish to continue Optional and/or Dependent coverage, you must complete the Retiree Optional Life Insurance form.

Earned Extended Benefits: If you have sick and/or annual leave credits, you must specify how you want to use those credits. You may use them to extend your employer-paid coverage under PEIA or to increase your annuity from CPRB. For details, please see your Summary Plan Description. If you were hired after July 1, 2001, you cannot use sick/annual leave credits to extend employer-paid insurance coverage. You will have the opportunity to indicate how you would like to use your leave credits on this form, and on your retirement form from CPRB. If you file conflicting documents, then whatever you mark on the CPRB form is what will be done. For example, if you mark here that you want to use your leave for health insurance, and you mark your retirement forms saying you want to use your accrued leave to increase your annuity, then your annuity will be increased, and you will pay monthly premiums from that annuity for whatever coverage you have chosen on this form.

Deduction Authority: Please indicate how you will pay your premiums by checking the appropriate box.

AFFIDAVITS

PEIA offers discounts to tobacco-free plan members for both health and optional life insurance. You must complete the affidavit to qualify for the discounts. PEIA also offers a discount to health policyholders who have executed a living will or advance directive. If you have such a document, please complete the affidavit.

ACCEPTANCE

When you have made your selections on this form, you must sign and date the "Acceptance" box.

COMPLETING THE PROCESS
