Instructions for Retirement Health Benefits and Basic Life Insurance Enrollment Form

Please follow these instructions carefully when completing this form.

RETIREE

Complete ALL demographic information. The "Generation" area provides a space for men to indicate family generation indicators such as Jr., Sr., II, III, IV, etc.

If you **do not** wish to enroll for health or life insurance coverage as a retiree, sign and date the box stating "I decline participation ..." and return the form to your benefit coordinator.

FAMILY INFORMATION

1) Please give us information about health insurance that you had during the last three months of your active employment.

If you are currently in the PEIA PPB Plan or one of the managed care plans offered by PEIA, please write in the name of the plan you're in; you do not need to include a termination date.

If you had coverage from another insurer, in the space provided, please write in the plan name and termination date, and attach a certificate of creditable coverage from the other insurer to this form.

2) We need information about Medicare coverage for you. Your premium decreases when you are retired and have Medicare. Please provide the date when you were or will become eligible for Medicare (typically age 65, unless you have a disability). When you become eligible for Medicare, it is important that you enroll for both Medicare Parts A and B. Please see your Summary Plan Description for more information.

3) We need to know about any dependents to be covered under your health insurance. Please complete the chart. In column titled "Sex/Category", include gender and relationship code (e.g., M1 for Male Child; F3 for Female Grandchild; F25 for Female Step-child/Student, etc.). The relationship codes are:

- | | |
|----------------------------------|----------------------------------|
| 1. Child (biological or adopted) | 4. Court-Ordered Dependent Child |
| 2. Step-child | 5. Student(age19-25) |
| 3. Grandchild | 6. Other |

If adding a dependent child other than your biological or adopted child, notarized documentation is required showing that the child is completely dependent upon the policyholder for financial support.

BENEFICIARY

Your health insurance includes a basic decreasing term life insurance policy on you. Please designate the beneficiary(s) of this basic term life insurance policy in the "Basic Life Insurance Beneficiary" section. Please consult your insurance coordinator if you have questions about the amount of life insurance coverage you have. The life insurance proceeds will be distributed equally among all designated beneficiaries unless you specify otherwise on this form. If unequal percentages are assigned to the beneficiaries, the share of any beneficiary who dies before the policyholder will be distributed equally among all surviving named beneficiaries. If no beneficiary survives the employee, payment will be made in accordance with the terms of the policy. The name of the beneficiary should be written "Jane B. Doe," not "Mrs. John Doe" or "Mrs. J. A. Doe."

COVERAGE

Coverage Selection: Please indicate the type of coverage you choose to have in retirement. Remember that if you are continuing your health care coverage into retirement, you must remain the health care plan you were in as an active employee through the end of the plan year (June 30), unless you were in a managed care plan and will be Medicare-eligible when you retire. Please be sure to fully specify the plan you want, including the plan name and any option, such as PEIA PPB Plan A or The Health Plan Plan B. For life insurance, on this form, you can continue your basic life insurance. If you wish to continue Optional and/or Dependent coverage, you must complete the Retiree Optional Life Insurance form.

Earned Extended Benefits: If you have sick and/or annual leave credits, you must specify how you want to use those credits. You may use them to extend your employer-paid coverage under PEIA or to increase your annuity from CPRB. If you have been in the Plan since before July 1, 1988, your accrued leave days will pay 100% of your monthly premium. If you came into the Plan after July 1, 1988, but before July 1, 2001, your accrued leave days will pay 50% of your monthly premium. For details, please see your Summary Plan Description. If you were hired after July 1, 2001, you cannot use sick/annual leave credits to extend employer-paid insurance coverage.

Deduction Authority: Please indicate how you will pay your premiums by checking the appropriate box.

AFFIDAVIT

PEIA offers discounts to tobacco-free plan members for both health and optional life insurance. You must complete the affidavit to qualify for the discounts.

ACCEPTANCE

When you have made your selections on this form, you must sign and date the "Acceptance" box.
