The Fine Print

This Shopper's Guide is not intended to be a formal statement of benefits. It is designed to provide general information about the available plans. It is intended to be a first step in helping you choose the most appropriate health benefit plan for you and your family. Actual benefits may be more specific and, on occasion, may change during the plan year.

Questions about particular benefits, limitations, costs, providers, or restrictions, should be directed to the individual plans for answers. If you enroll in a managed care plan, the plan you select will send you an "evidence of coverage" booklet with more complete details of your benefits.

PEIA cannot guarantee the quality of services offered by the various plans, so please gather information and make your decision carefully. Before enrolling, assure yourself that the plan you choose offers a level of care and convenience with which you and your family will feel comfortable.

Also be aware that the continuing participation of managed care network providers is not guaranteed throughout the Plan Year. If a provider chooses to withdraw from a managed care network, the member may be required to receive services from another participating provider.

We have tried to ensure that the information in this booklet is accurate. If, however, a conflict arises between this Guide and any formal plan documents, laws or rules governing the plans, the latter will necessarily control.

Tips for a Successful Open Enrollment

1. Read through “What’s Important for 2017” to get a quick overview of the changes for the coming Plan Year.
2. Review the side-by-side comparison of the plans in the “Benefits At-A-Glance” charts.
3. Check page 13 to be sure you’re eligible to enroll in the health coverage you want. The PEIA PPB Plans A, B and C are available in all areas. PEIA PPB Plan D is open to WV residents only and covers only services provided in WV. The Health Plan is available in all West Virginia counties. If you live out of state, remember you must live in one of the counties listed on page 13 to enroll in The Health Plan.
4. Check the premium table for the type of coverage you have (employee only, family, etc.) to find the premium for the plan you want.
5. If you want to change health coverage, you have two choices: go to www.wvpeia.com and click on the “Manage My Benefits” button and follow the instructions (remember, your deadline is midnight on May 15, 2016) or call PEIA for a Transfer Form at **1-877-676-5573**. Make any changes or plan selections you wish and return it to your benefit coordinator no later than the close of business on May 15, 2016. If you need to update your tobacco status, you may do so by using the options above or by calling **1-877-676-5573** and by following the prompts.
6. Most life insurance premiums have decreased. Check the charts on pages 36-37. During open enrollment you can decrease or cancel your coverage without a qualifying event. To increase coverage, you’ll need to answer medical questions and be approved by Securian.
7. If you’re in a PEIA PPB Plan, don’t forget to report your Healthy Tomorrows numbers by 5/15/16 to avoid the \$500 additional deductible. See page 5 for details.

Healthy Tomorrows

PEIA is completing Phase 2 of the Healthy Tomorrows initiative for active employees and non-Medicare retirees in the PEIA PPB Plans.

Phase 2 – Policyholders must have a primary care provider named (if you named one last year you have met this requirement), and report your blood pressure, blood glucose, cholesterol and waist circumference to PEIA on the Healthy Tomorrows Reporting Form before the end of Open Enrollment (May 15, 2016). A personalized Healthy Tomorrows Reporting Form was recently mailed to those who had not reported their Healthy Tomorrows values. Complete that form or find a blank copy on PEIA's webpage at www.wvpeia.com – click on "I want to... Find a Form or Document." The form requires a signature of your healthcare provider or his/her representative.

Phase 3 – Policyholders must have your blood pressure, blood glucose and cholesterol within an acceptable range or have a physician's certification that those numbers cannot be met. The Phase 3 reporting form is at the back of this Shopper's Guide. It can be used to report blood pressure, glucose, cholesterol and waist circumference results from April 2, 2016 to May 15, 2017.

In any year that you do not comply with the Healthy Tomorrows initiative, you will face an additional \$500 medical deductible.

NOTE: PEIA covers an annual physical for members at no cost. Take the Adult Annual Physical and Screening Examination Form on page 45 to your doctor.

Benefit Changes

The Living Will Discount will be discontinued. PEIA will no longer offer the Advance Directive/Living Will discount, although you are still encouraged to have an Advance Directive/Living Will and to discuss your wishes with your family and your physician.

New Pharmacy Benefit Manager. PEIA will change Pharmacy Benefit Managers from Express Scripts to CVS Caremark on July 1, 2016. CVS Caremark is a pharmacy benefit management company providing pharmacy benefit management to millions of covered lives nationwide. Although CVS Caremark is affiliated with CVS Pharmacy, PEIA members are not required to use CVS pharmacies. CVS Caremark's network includes all of the major chain pharmacies and most local pharmacies. Any PEIA member whose current pharmacy will not be in the CVS Caremark network will receive notification and a list of in-network alternative pharmacies in advance of the change on July 1. The change to CVS Caremark will also bring changes to the Preferred Drug List. Affected members will be notified. If you have questions about CVS Caremark's Preferred Drug List, check PEIA's website at www.wvpeia.com after April 11.

Life Insurance. Premiums for most life insurance coverages have decreased due to better-than-expected plan performance. PEIA's contract with Securian (formerly Minnesota Life), returns surpluses to PEIA. PEIA is using the surpluses to reduce optional life insurance premiums over the next three years.

Active Employee Plan Changes:

The following benefit changes will affect Non-State members and their enrolled dependents beginning July 1, 2016.

1. Urgent Care copay increases to \$50 for PEIA PPB Plans A, B and D.
2. For Comprehensive Care Partnership (CCP) Program members, ANY non-CCP office visit now requires the \$40 specialist office visit copay.
3. The Face-2-Face Diabetes Program will be limited to two years. Current F2F members will be permitted two more years of services starting July 1, 2016, as long as they continue to meet the other requirements of the plan.
4. Out-of-state, non-network services are no longer covered in any of the PEIA PPB Plans. Patients will be responsible for 100% of billed charges from non-network providers outside West Virginia, except in a medical emergency or when approved in advance by HealthSmart. PEIA PPB Plan members who reside more than one county outside of West Virginia may use in-network providers where they live without prior approval from HealthSmart, as long as PEIA has been notified of your residential address.
5. Facility-fee limits for select facility-based services. If the member chooses a facility outside West Virginia that charges more than the PEIA facility fee limit, the member will be responsible for the difference between PEIA's payment and the facility's charge. See page 14 for details.
6. Additional emergency room copay of \$500 for high-risk behaviors, such as:
 - Accidents while driving motorcycle or UTV/ATV without a helmet
 - DUI/DWI or drug -related accidents
 - Failure to wear seatbelt(s)
7. Opioid pain medications will have quantity limits (QL) for all medications in the opioid class. Additional quantities require Prior Authorization.

Has your address changed? Let PEIA know!

If your address has changed, you can update your records with PEIA by sending the address change in writing to 601 57th St., SE, Suite 2, Charleston, WV 25304-2345 or by going on the agency's Web site, www.wvpeia.com, and logging into "Manage My Benefits". PEIA DOES NOT accept address changes over the phone.

Terms You Need to Know

Affordable Care Act (ACA) Out-of-Pocket Maximum: The Affordable Care Act places a limit on how much you must spend for healthcare in any plan year before your plan starts to pay 100% for covered essential health benefits. This limit includes deductibles (medical and prescription), coinsurance, copayments, or similar charges and any other expenditure required of an individual which is a qualified medical expense for the essential health benefits. This limit does not include premiums, balance billing amounts borne by the member for non-network providers and other out-of-network cost-sharing, or spending for non-essential health benefits. The maximum out-of-pocket cost for Plan Year 2017 can be no more than the rates set by the federal government for individual and family plans. Because PEIA's plans have out-of-pocket maximums that are substantially lower than the ACA required limits, the ACA out-of-pocket maximum should never come into play for most PEIA PPB Plan members.

Annual Out-Of-Pocket Maximums: Each plan has limits on what you are required to pay in out-of-pocket expenses for medical services and prescription drugs each year. You'll find details in the "Benefits-At-A-Glance" charts.

COBRA: Gives employees the right to continue health insurance coverage after employment terminates. See your Summary Plan Description for full details.

Coinsurance: The percentage of the allowed amount that you pay when you use certain benefits.

Comprehensive Care Partnership (CCP) Program: The CCP was created to keep members well by promoting the use of primary care health services, identifying health problems early, and maintaining control of any chronic conditions. Any member who joins the CCP will choose to receive his or her primary care from one of the participating CCP providers, which is responsible for providing prevention services, routine sick care, and coordination of care with specialists when needed. Those members who enroll in the CCP program will have reduced or no copayments, deductible or coinsurance for specified covered services at their CCP provider. Office visits to a provider other than your CCP have a \$40 copay, except for urgent care, which has a \$50 copay.

Coordination of Benefits (COB): Health plans use COB to determine which plan will pay benefits first, and to make sure that together they do not pay more than 100% of your bill. Be sure to ask the managed care plans about COB before you make your choice.

Copayment: A set dollar amount that you pay when you use certain services.

Deductible: The dollar amount you pay before a plan begins paying benefits. Not all services are subject to the deductible, so check the "Benefits-At-A-Glance" charts.

Explanation of Benefits (EOB): Forms issued by health plans when medical claims are paid. Most HMOs do not issue EOBs for in-network care. If you need an EOB, talk to the HMO to see how you can get the paperwork you need.

Health Maintenance Organization (HMO): HMOs manage health care by coordinating the use of health care services through PCPs. If you join an HMO, you'll pick your PCP from their list, and then you'll receive all of your non-emergency care from network providers. Ask the HMOs about their rules.

Health Savings Account (HSA): A health savings account (HSA) is a tax-exempt trust or custodial account that you set up with a qualified HSA trustee to pay or reimburse certain medical expenses you incur. No permission or authorization from the IRS is necessary to establish an HSA. When you set up an HSA, you will need to work with

a trustee. A qualified HSA trustee can be a bank, an insurance company, or anyone already approved by the IRS to be a trustee of individual retirement arrangements (IRAs) or Archer MSAs. The HSA works in conjunction with a High Deductible Health Plan.

Healthy Tomorrows: Healthy Tomorrows is a 3-year initiative to encourage active employees and non-Medicare retirees in the PEIA PPB Plans to name and develop a relationship with a primary care physician (PCP) and to report and control modifiable health risk factors. In any year that the policyholder does not comply with the initiative, he or she will pay an additional \$500 medical deductible. The additional deductible will be added to a single plan or a family plan deductible. For family plans, only the policyholder has to complete the Healthy Tomorrows requirements, not dependents.

High Deductible Health Plan (HDHP): An IRS-qualified High Deductible Health Plan (HDHP) is a plan that includes a higher annual deductible than typical health plans, and an out-of-pocket maximum that includes amounts paid toward the annual deductible and any coinsurance that you must pay for covered expenses. The HDHP deductible includes both medical services and prescription drugs under a single deductible. Out-of-pocket expenses include copayments and other amounts, but do not include premiums. PEIA PPB Plan C is the only HDHP offered during this open enrollment.

Medicare Advantage and Prescription Drug (MAPD) Plan: Medicare retirees' benefits are administered through Humana, Inc.'s MAPD Plan. This plan includes prescription coverage through a Humana Medicare Part D plan.

Medical Home: PEIA offers a Medical Home program that focuses on patients as active participants in their own health and well-being. Patients are cared for by a physician who leads the medical team that coordinates preventive, acute and chronic care of patients using the best available evidence and appropriate technology. These relationships offer patients comfort, convenience, and optimal health throughout their lifetimes. Medical home office visits in PEIA PPB Plans A, B and D have a discounted copayment of \$10 per visit.

PEIA Network: The self-insured PPO plans offered by PEIA cover care based on where you live, and where you receive your care. To determine which out-of-state providers are in-network, call HealthSmart Benefit Solutions at [1-888-440-7342](tel:1-888-440-7342) or go online to www.aetna.com/asa. PEIA uses Aetna Signature Administrators' (ASA) PPO network. Not all providers in the ASA PPO network may participate with PEIA. Kings Daughters Medical Center and Our Lady of Bellefonte hospitals in Kentucky remain out-of-network for PEIA, regardless of their network status with the ASA PPO network. Also, PEIA does not use the ASA PPO network in Washington or Cuyahoga counties, Ohio, or in Boyd County, Kentucky. PEIA reserves the right to remove providers from the network, so not all providers listed in the network may be available to you. For full details of the benefits, see your Summary Plan Description.

Primary Care Physician (PCP): A provider in a network who coordinates members' health care. PCPs are usually family doctors, general practice physicians, internists, or pediatricians. Some plans allow OB/GYNs to be PCPs for women in the plan. PCPs must provide coverage for their practices 24 hours-a-day, 7 days-a-week so you can reach them if you need care.

Public Employees Insurance Agency (PEIA): The State agency that arranges for health and life insurance benefits for West Virginia's public employees. PEIA administers the PEIA PPB Plans, and contracts with all of the managed care plans that are offered to public employees.

Eligibility Rules

This section offers general information about eligibility that you may need during Open Enrollment. For complete eligibility details, please refer to your PEIA Summary Plan Description. It's on the web at www.wvpeia.com.

Who is eligible to transfer or enroll during Open Enrollment?

Current Members: Current enrollees in any PEIA-sponsored managed care plan or the PEIA PPB Plan or PEIA-sponsored life insurance only (no health insurance), may join any plan for which they qualify during this open enrollment.

Eligible Non-Members: An employee or non-Medicare retiree who is eligible for benefits may enroll in any health plan for which they qualify during open enrollment.

Eligible Dependents: You and your enrolled dependents must all live in the service area of a plan (if the plan has a service area) to be eligible to enroll for that plan's benefits. The only exception to this rule is made for full-time students living out of the service area. You may enroll the following dependents:

- your legal spouse (remember, if you divorce, you must remove your ex-spouse from your health and life insurance plans immediately. An ex-spouse is NOT eligible for coverage under the plan.);
- your biological children, adopted children, or stepchildren under age 26; or
- other children for whom you are the court-appointed guardian to age 18.

Two public employees who are married to each other, and who are both eligible for benefits under PEIA may elect to enroll as follows:

1. as "Family with Employee Spouse" in any plan.
2. as "Employee Only" and "Employee and Child(ren)" in the same or different plans.
3. as "Employee Only" in the same or different plans if there are no children to cover.

You may both be policyholders in the same plan, but only one may enroll the children. All children must be enrolled under the same policyholder, and a child may not be enrolled for health coverage as both a policyholder (as a public employee in his or her own right) and as a dependent child. To qualify for the Family with Employee Spouse premium, both employees MUST have basic life insurance.

Retired or Retiring Deputy Sheriffs Under Age 55: Premium rates for all plans are listed on page 34 of this guide.

Retiring Employees: If you are considering retiring during the plan year, your choice this open enrollment will be an important one. At the time of retirement you may drop dependents from your coverage (if you so choose), or you may drop health coverage completely, but you may not change plans during the plan year unless you move outside a managed care plan's service area or unless you'll be eligible for Medicare – age 65 or disabled – in which case you will be provided PEIA's Medicare benefit.

Transferring Employees: If you transfer between participating agencies during the plan year, remember that you can only change plans if you transfer out of the service area of the plan you're currently in. The PEIA PPB Plans A, B and C have an unlimited service area, so you will not be permitted to transfer out of them during the plan year,

even if you move. PEIA PPB Plan D is available only to WV residents, so if you are enrolled in Plan D and move out of state during a plan year, you will be required to change plans. Transfer between participating agencies may permit a change in coverage if the premium at the new agency creates a financial hardship, which will be considered if you appeal in writing to the director of PEIA. Transfer between participating employers in the Plan does not constitute a qualifying event.

Mid-Year Plan Changes: The only time you can change plans during the plan year is if you move out of the service area of your plan so that accessing care is unreasonable. Since the PEIA PPB Plans A, B and C have an unlimited service area, you will not be permitted to transfer out of them during the plan year, even if you move. PEIA PPB Plan D is available only to WV residents, so if you are enrolled in Plan D and move out of state during a plan year, you will be required to change plans.

Physician Withdrawal From A Plan: If you're in a HMO and your PCP withdraws from the plan, you must choose another PCP. A physician's departure does not qualify you to change plans. Although most networks are stable, a physician can choose to withdraw from any plan at any time with 60 days' notice, so you need to be aware of that possibility when you make your selection.

Death: If a death occurs during a plan year, to continue coverage, the survivors must remain in the plan they were enrolled in at the time of the death for the balance of the plan year. Survivors can only change plans during the plan year if the affected dependents move out of the service area of the plan so that accessing care is unreasonable. Surviving dependent children may continue coverage, but are subject to the same age limitations as any other dependent children in the plan. Surviving spouses may continue coverage as long as they do not remarry; if remarriage occurs, it must be reported to PEIA, and surviving spouse coverage will be terminated.

Divorce: If a divorce occurs, the ex-spouse and any affected stepchildren must be removed immediately from your health and life insurance plans. If a court requires you to continue coverage on those former dependents, you must find coverage through COBRA or from an insurer other than PEIA.

Terminated Coverage: If your coverage terminates due to loss of employment or cancellation of coverage, you MUST cease using your medical ID card. Any claims incurred after the termination date will be the responsibility of the person incurring the claims, and may be considered fraud.

Special Enrollment: If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within the month of or the two months following the date you or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within the month of or the two months following the marriage, birth, adoption or placement for adoption by contacting your benefit coordinator or calling **1-888-680-7342**. You also may go online at **www.wvpeia.com**, click on the green "Manage My Benefits" button to log in and enroll a dependent.

Eligibility Audits: From time to time PEIA may conduct eligibility audits to verify that policyholders and dependents in the plan qualify for coverage. If you are audited, you will have to produce documentation for the dependents in question. If you cannot prove that the dependent qualifies for coverage, coverage will be terminated retroactively to the date the dependent would otherwise have been terminated, and PEIA will pursue reimbursement of any medical or prescription drug claims paid during the time the dependent was ineligible.

Managed Care Plan's Service Area

The PEIA PPB Plans and The Health Plan HMOs are available in all counties in West Virginia. The list below shows the Health Plan HMO's service area for Maryland, Ohio and Pennsylvania:

MARYLAND	OHIO	PENNSYLVANIA
Garrett	Athens Belmont Columbiana Gallia Guernsey Harrison Hocking Jackson Jefferson Lawrence	Licking Meigs Monroe Morgan Muskingum Noble Perry Trumbull Vinton Washington
		Beaver Fayette Greene Washington

Regional Facility Fee Limits

PEIA is implementing regional Facility Fee Limits for certain outpatient procedures when performed outside West Virginia. Procedures included in this program appear below. If you are having one of these procedures, consult Health-care Blue Book for information about which providers fall within the limits. If you use an out-of-state facility that charges more than the Facility Fee Limit, you will be responsible for any amount billed that is above the limit. This is in addition to any deductible, copay or coinsurance you are responsible for. Additionally, the amount in excess of the facility fee limit is not applied to your out-of-pocket maximum. The facility fee limit applies to the amount billed by the facility only. Physician and anesthesiologists charges will be paid as usual.

What Does the Out-of-State Change Mean for the PEIA PPB Plan?

The 2017 Plan makes changes to the way PEIA covers care provided outside West Virginia. Here's how it works, depending on where you live:

If you are a non-state agency employee, live in West Virginia and seek healthcare outside the state:

1. In a medical emergency, go the nearest provider capable of providing the needed care, and you will be covered as if you were in West Virginia.
2. In-network non-emergent care beyond the contiguous counties requires approval in advance from HealthSmart and requires 20% coinsurance if approved in advance by HealthSmart or 40% coinsurance if not approved in advance by HealthSmart.
3. Out-of-network care non-emergent is not covered, unless approved in advance by HealthSmart. You will be responsible for 100% of billed charges for any non-emergent out-of-state, out-of-network care that is not approved in advance by HealthSmart.

If you a non-state agency employee, live in a contiguous county of a surrounding state:

1. In a medical emergency, go the nearest provider capable of providing the needed care, and you will be covered as if you were in West Virginia.
2. In-network non-emergent care in the contiguous county does not require prior approval from HealthSmart, but does require 20% coinsurance.
3. In-network non-emergent care beyond the contiguous counties requires approval in advance from HealthSmart and requires 20% coinsurance if approved in advance by HealthSmart or 40% coinsurance if not approved in advance by HealthSmart.
4. Out-of-network care non-emergent is not covered, unless approved in advance by HealthSmart. You will be responsible for 100% of billed charges for any non-emergent out-of-state, out-of-network care that is not approved in advance by HealthSmart.

If you a non-state agency employee, live out of state beyond the contiguous counties:

1. In a medical emergency, go the nearest provider capable of providing the needed care, and you will be covered as if you were in West Virginia.
2. In-network non-emergent care where you live does not require prior approval from HealthSmart, but does require 20% coinsurance.
3. Out-of-network care non-emergent is not covered, unless approved in advance by HealthSmart. You will be responsible for 100% of billed charges for any non-emergent out-of-state, out-of-network care that is not approved in advance by HealthSmart.

PEIA PPB Plan C

Plan C is the IRS-qualified High Deductible Health Plan (HDHP) offered by PEIA to all eligible active employees. The plan offers lower premiums, but a high deductible that must be met before the plan begins to pay. The plan is designed to work with either a Health Savings Account (HSA) or a Health Reimbursement Arrangement (HRA). The policyholder is responsible for choosing and enrolling for an HSA or HRA.

The benefits of Plan C are shown in the Benefits At-A-Glance charts. With the HDHP, the medical and prescription drug deductibles are combined, and, for family coverage, the entire family deductible must be met before the plan begins to pay on any member of the family for either medical or prescription services. There are prescription drugs on the Preventive Drug List that are covered with a copayment before the deductible is met. For a copy of the Preventive Drug List, go to www.wvpeia.com, visit a benefit fair, or call 1-877-676-5573.

PEIA PPB Plan D

PEIA PPB Plan D is the West Virginia ONLY plan. Members enrolling in this plan must be West Virginia residents, and all care provided under this plan must be provided in West Virginia. The benefits (copayments, coinsurance, deductible and out-of-pocket maximum) of Plan D are identical to PEIA PPB Plan A, and the premiums are much lower than Plan A. The difference is that the only care allowed outside the State of West Virginia will be emergency care to stabilize the patient, and a limited number of procedures that are not available from any health care provider inside West Virginia.

For policyholders who are West Virginia residents but who have dependents who reside outside West Virginia (such as students attending college out-of-state), PEIA PPB Plan D will cover those out-of-state dependents for emergency care to stabilize the patient, and a limited number of procedures that are not available from any health care provider inside West Virginia. All other services must be provided within West Virginia. If you have dependents living outside West Virginia, this plan may not be the best option for you.

Enroll in a Comprehensive Care Partnership (CCP) and Save

PEIA offers a healthcare program that allows members to receive specified primary care services while paying less. This program, called the Comprehensive Care Partnership (CCP) Program, is designed to promote quality of care, preventive services and appropriate use of health services to identify health problems early and maintain control of chronic conditions.

The CCP program is available to PEIA PPB Plan A, B and D insureds. Members who enroll in the CCP Program will have reduced or no copayments, deductible or coinsurance for specified covered services from their CCP provider. Office visits to a provider other than your CCP provider have a \$40 copay, except for urgent care, which has a \$50 copay. CCP providers are expected to provide primary care services, coordination of care, and some CCP locations also provide specialty care services and/or laboratory services. To find a physician in PEIA's CCP program, go to www.wvpeia.com and click "Find a Form or Document" and Provider Directory under Documents. The Provider Directory is also at "Forms & Downloads," "Enrollment Forms" and "Medical Home Program."

Find a Medical Home

PEIA's Medical Home program helps you save money and receive better medical care at the same time. If you choose a Medical Home from PEIA's Medical Home Physician Directory, most of your medical care will be provided by that Medical Home provider, and your copayment for office visits with that provider drops from \$20 to \$10. The purpose of naming a primary physician is to help the physician better understand you and your medical needs and provide better care.

To find a physician in PEIA's Medical Home program, go to www.wvpeia.com and click "Find a Form or Document" and Provider Directory under Documents. The Provider Directory is also at "Forms & Downloads," "Enrollment Forms" and "Medical Home Program."

Tobacco-free Premium Discount

PEIA offers a premium discount on PEIA PPB Plans A, B, C and D, The Health Plan, the Special Medicare Plan, the Medicare Advantage and Prescription Drug (MAPD) plan, and optional life insurance to active and retired policyholders who verify through a tobacco affidavit that all enrolled family members are tobacco-free. Tobacco-free plan members subtract \$25 from the premium for employee-only coverage or \$50 from the employee/child, family or family with employee spouse premium. To qualify for the Tobacco-free Preferred Premium for all of Plan Year 2017, you and all enrolled family members must have been tobacco-free by January 1, 2016.

If your doctor certifies on a form provided by the PEIA, that it is unreasonably difficult due to a medical condition for you to become tobacco-free or it is medically inadvisable for you to become tobacco free, PEIA will work with you for an alternative way to qualify for the tobacco-free discount. Send all such doctors' certifications and requests for alternative ways to receive the discount to: **PEIA Discount Alternatives, 601 57th St., SE, Suite 2, Charleston, WV 25304-2345.**

NOTE: PEIA will no longer offer the Advance Directive/Living Will discount effective July 1, 2016. If you have an Advance Directive/Living Will or complete one in the future, be sure to provide a copy to your physician. **DO NOT mail, fax or e-mail a copy to PEIA.**

Non-State Agencies: PEIA PPB Plans

Non-State agencies are counties, cities, towns, and other government bodies and agencies that qualify for coverage under PEIA pursuant to the West Virginia Code. By law, these agencies determine how much of the total monthly PEIA premium will be paid by their active employees. Employees should check with their employer to determine what their monthly employee contribution will be for the various plans and coverage types.

It is employee's option to choose PEIA PPB Plan A, B, C or D or any of the managed care plans available in your area, although your employer may choose to limit the amount paid toward the premium. Check with your benefit coordinator to see how much (if any) your employer will be paying toward the premium for the plan you've chosen. To enroll in one of the managed care plans, you must live in the plan's service area. Check the chart on page 13 to see if you qualify for the plan you're considering.

Deputy Sheriffs Early Retiree Premiums (ages 50-55)

Deputy sheriffs have the right to retire prior to attaining age 55 and continue their health benefits by paying the premiums designated for them in the Shopper's Guide each year. At the time of retirement, these retirees must continue coverage in the plan in which they were covered as active employees until the next open enrollment, when they can choose any plan for which they are eligible. Retiring employees enrolled in PEIA PPB Plans C or D must choose either PEIA PPB Plan A or B upon retirement, since Plans C and D are not offered to retirees. Deputy Sheriff early retirees are not eligible for extended employer-paid insurance upon retirement. These premiums are paid in full by the retiree.

PEIA offers Tobacco-free plan members a premium discount of \$25 off the premium for employee-only coverage or \$50 off the family premium. See details on page 32 To report a change in your tobacco status, call PEIA's Open Enrollment Helpline or go to www.wvpeia.com and click on "Manage My Benefits".

COBRA

COBRA entitles employees, retired employees, and covered dependent(s) to continue medical coverage, for 18 or 36 months, in certain cases when coverage would otherwise terminate, provided the employee, retired employee, and/or dependent(s) pays the full premium. The premiums for COBRA coverage are set by Federal law. HealthSmart Benefit Solutions handles COBRA enrollment for all plans and will contact you if you become eligible.

Your Enrollment Rights: During Open Enrollment you have the right to choose any plan for which you are eligible for the next plan year. To enroll in one of the managed care plans, you must live in the plan's service area (see page 13) PEIA PPB Plan D is limited to WV residents only, and covers only services provided within WV, except in an emergency or when the required care is not available in West Virginia. HealthSmart Benefit Solutions will mail a transfer form to enrolled COBRA members. If you want to change plans, you must complete and return the transfer form to: HealthSmart Benefit Solutions COBRA Dept., P.O. Box 2981, Charleston, WV 25332 before May 15, 2016.

Healthy Tomorrows: COBRA participants are not required to participate in the Healthy Tomorrows initiative.

Tobacco-free Premium Discount: PEIA offers Tobacco-free plan members a premium discount of \$25 off the premium for employee-only coverage or \$50 off the family premium. See details on page 32 To report a change in your tobacco status, mark it on the Transfer Form mailed to you by HealthSmart.

Other Life Insurance Rates: Actives and Retirees

PEIA offers basic and optional decreasing term life insurance and dependent life insurance. This is not open enrollment for life insurance. If you want to make changes in your life insurance, check your Summary Plan Description and Life Insurance Booklet for details of your rights, then contact your benefit coordinator or PEIA for the appropriate forms.

Basic life insurance premiums for active employees are paid by the employer. Retirees pay the monthly premium listed below for their basic life insurance. We've provided these rates for informational purposes only.

Dependent life insurance premiums are paid by the active or retired policyholder. The rates are listed below for your information. If you wish to increase your plan, you will need to apply for the coverage, complete the Statement of Health, and be approved by Minnesota Life for an increase in your dependent life coverage. Go to www.wvpeia.com and log in to "Manage My Benefits" and follow the instructions on the screen to apply.

Optional life insurance premiums are paid by the active or retired policyholder. The rates are listed on the preceding pages.

For a complete description of the life insurance benefits, please see the Life Insurance booklet.

PEIA's Premium Conversion Plan: Make Your Choices for Plan Year 2017

It's open enrollment time for PEIA's Section 125 Premium Conversion Plan, an IRS-approved plan which allows eligible public employees to pay health and life insurance premiums with pre-tax dollars. Through this plan your premiums for health coverage and life insurance are deducted from your pay before taxes are calculated, so your taxable income is lower, and you pay less tax. Each year at this time we hold an Open Enrollment period to allow you to make changes in your coverage or to get in or out of the Premium Conversion Plan.

This section answers Commonly Asked Questions about the Premium Conversion Plan and will serve to guide you through the enrollment process.

Commonly Asked Questions

Who participates in the Premium Conversion Plan?

If you are an active employee of a State Agency, college, or university (except WVU) or one of the county boards of education that participates in PEIA's Premium Conversion plan, and you pay premiums for health or life insurance, those premiums are deducted before taxes are calculated, unless you signed a form waiving your participation in this plan.

You may have been in the program for several years without realizing it. To determine if you are paying your premiums before or after tax, check your pay stub or contact your payroll office.

When is Open Enrollment?

Open Enrollment is from April 2 – May 15, 2016, for Plan Year 2017 (July 1, 2016 - June 30, 2017).

Are there rules I have to follow?

Yes. The IRS sets limits on the program, and says that if you agree to participate in the plan, you can only change the amount of pre-tax premium you pay during Open Enrollment. Under the IRS rules, you must pay the same amount of premium each month during the year, unless you have a qualifying event and the consistency rule is satisfied. Documentation of these events is required.

Qualifying events are:

- marriage or divorce of the employee;
- death of the employee's spouse or dependent;
- birth, placement for adoption, or adoption of the employee's child;
- commencement or termination of employment of the employee's spouse or dependent;
- a change from full-time to part-time employment status, or vice versa, by the employee or his or her spouse, or dependent;
- commencement of or return to work from an unpaid leave of absence taken by the employee or spouse;
- a significant change in the health coverage of the employee or spouse attributable to the spouse's employment;
- annulment;
- change in the residence or work site of the employer, spouse, or dependent;
- loss of legal responsibility to provide health coverage for a child or foster child who is a dependent;

- a dependent loses eligibility due to age; or
- employment change due to strike or lock-out.

Consistency Rule: The change in benefit elections must be on account of, and consistent with, a change in status that affects eligibility for coverage under the cafeteria plan.

Open Enrollment Under Other Employer’s Plan

You may make a change in your plan when your spouse or dependent changes coverage during his or her plan’s open enrollment if:

- the other employer’s plan permits mid-year changes under this event, and
- the other employer’s plan year is different from PEIA’s.

You may not make a change in your coverage until the next Open Enrollment period unless you have a qualifying event. To make a change in your coverage, go to www.wvpeia.com and click on the “Manage My Benefits” button or get a Change-in-Status form from your benefit coordinator.

What should I do if I want to get in or out of the Premium Conversion Plan?

You have four choices:

1. If you opted out of the Premium Conversion Plan previously, and you want to stay out, you don’t have to do anything. You will remain out of the Premium Conversion Plan for the coming year.
2. If you opted out of the Premium Conversion Plan previously, and want back in, complete the form on page 43, sign, date and return it to your payroll clerk by May 15, 2016.
3. If you are in the Premium Conversion Plan, and want to stay in, you don’t need to do anything. You will remain in the Premium Conversion Plan for the coming year.
4. If you are in the Premium Conversion Plan and you want to opt out and pay taxes on your premiums, complete the form on page 43, and return it to your benefit coordinator by May 15, 2016.

Can I make changes in my coverage now?

Yes. During Open Enrollment you can add or drop dependents for any reason. Go to www.wvpeia.com and click on the “Manage My Benefits” button or call PEIA for an Open Enrollment Transfer Form, and get it to your benefit coordinator by May 15, 2016.

Can I make changes during the plan year?

You may not make a change in the middle of plan year unless you have a qualifying Status Change Event listed in the chart on page 43. You will have to provide documentation of the Status Change Event.

Will I have to pay taxes on the premiums later?

Because this is an IRS-approved program, you never have to pay taxes on the money you save through the Premium Conversion Plan.

Why would I want to opt out of the plan?

If you are fewer than ten years from retirement, you may want to opt out. Since your Social Security tax is assessed after your premiums are deducted under the Premium Conversion Plan, you contribute less to Social Security, and it

could lower your benefits upon retirement. Generally, the amount you save through premium conversion outweighs the amount you lose in Social Security. If you have questions, consult your tax advisor.

What if I have more questions?

If you have questions about the Premium Conversion Plan, please consult your tax advisor.

What do I do if I have a qualifying event during the plan year?

Go to www.wvpeia.com and click on the “Manage My Benefits” button, or contact your benefit coordinator for a Change-In-Status form, complete, sign, and return it to your benefit coordinator during the month of the family status change event or the following two calendar months. You will need to include documentation of the status change as indicated in the chart on the next page.

Should I have two plans?

If you have two insurance plans, you may want to consider whether it makes sense to keep them both. If both you and your spouse work outside the home and have group health coverage through your employers, you need to look carefully at the plans you have to be sure you are getting value for the premiums you are paying. The two issues you need to deal with relate to Coordination of Benefits. You need to determine: (1) which plan is primary and which is secondary; and (2) how the plans pay as secondary payers.

Coordination of Benefits (COB)

Coordination of Benefits is the process used by insurance companies to determine which plan will pay first, and how much it will pay. The kind of COB you have depends on the kind of plan you’re in.

By law, the PEIA PPB Plan coordinates benefits with all other insurance plans— even medical payments made under an automobile policy, or other individual policy. The only plans we don’t coordinate benefits with are individual policies which make per diem payments of less than \$100 and have limited benefits. PEIA uses the “carve-out” method for coordinating benefits as the secondary plan, which means that if the other plan pays as much as PEIA would have paid, then we pay nothing.

The HMOs offered by PEIA use “traditional” Coordination of Benefits, which means that they may pay up to 100% for services, but you will have to follow their rules to receive benefits.

Why bring up COB now?

We know that most people who encounter problems with the Premium Conversion Plan want to make changes because they didn’t understand how the PEIA PPB Plan works as a secondary payer. Often they want to drop the PEIA PPB Plan as a secondary coverage, but this is not considered a qualifying event, so we can’t allow it during the plan year.

During Open Enrollment (April 2 – May 15, 2016), you can make any changes, even if they’re not the result of qualifying events.

Where can I learn more about COB?

If you’re in the PEIA PPB Plan, read your Summary Plan Description for details of PEIA’s Coordination of Benefits policy. If you’re in a managed care plan, read your certificate of coverage or check with your plan for more details.

Premium Conversion Plan Form / Plan Year 2017

I, _____, wish to make the following change in my Premium Conversion Plan participation:

- Opt INTO the Plan. I understand that by participating in this plan, I will reduce my tax liability, but I may be limiting my ability to make changes in my coverage throughout the plan year.
- Opt OUT of the Plan. I understand that by opting out of the plan, I am agreeing to pay my premiums on a post-tax basis, thereby increasing my tax liability. This election may not be changed until the next open enrollment.
