**PEIA MEDICAL HOME PROGRAM  
PHYSICIAN DIRECTORY**

**May 08, 2012**

## How to Use This Directory

- This directory lists those West Virginia primary care providers who have volunteered to participate in PEIA's medical home program thus far.
- Providers are listed by county and alphabetically within each county listing.
- If you see a physician that you wish to select as the medical home for yourself, copy the Provider Number from the Medical Home directory into the space next to your name on the Medical Home Selection Form.

Medical Home  
Provider Number.

ADAM SMITH MD  
FAMILY PRACTICE  
YOUR LOCAL CLINIC  
123 MAIN STEET  
YOUR TOWN, WV 29999  
(304) 555-1111

ACCEPTING NEW PATIENTS: **YES**

This line tells you if the  
physician is accepting  
new patients.

- If you have never seen the physician or have not seen the physician in the last three years, be sure the doctor you want is accepting new patients.
- Repeat the selection process for each of your dependents.

We continue to recruit providers for this program, and will provide an updated list on the PEIA website at [www.wvpeia.com](http://www.wvpeia.com). If you did not find a provider in this directory who meets your needs, you may want to check the PEIA website periodically for an updated list. We hope to continue adding providers to the program and expanding the available Medical Home network
